The Mayor's Office for Senior Citizens' Coffee Hours bring community elders closer to City officials and explore a variety of topics of interest to older adults. They provide opportunities to learn about City programs and services and give officials an opportunity to hear from their constituents. Other topics examine cutting edge information about healthy aging, legal and planning issues, and more. Coffee Hours are held downtown at the Central Building on the 3rd Thursday of the month, and at various locations in Seattle neighborhoods.
